LIBERTINE RACK, 2016
LIBERTINE Rack

As our first product designed to meet the need for efficient solutions to organise small spaces, LIBERTINE Rack is a no-nonsense design with industrial roots and a Scandinavian tone.

With its slender and stable construction, which rests on the floor and leans against the wall, LIBERTINE Rack is a minimal and functional solution on three planes. Its powder-coated frame, available in four colours, is combined with a rounded oak pole that makes a pleasant sound when you place a coat hanger on it.

LIBERTINE Rack is also available in a chromed version, which references the Bauhaus period's focus on cantilevered chairs in tubular steel.

SPECIFICATION
